GOOD NEWS FOR HOMEMAKERS

Cranberries-Nutritious and Delicious

Cranberries are truly North American berries. Before Columbus came to the New World the tangy wild cranberries had an important place in everyday life. Indian squaws used cranberries to brighten up food. Many Indians of the Cape Cod area treated wounds from poison arrows with cranberry dressing. Squaws made rugs and colorful blankets red with cranberry juice.

Pilgrim women learned of this wild berry from the friendly Indians. They soon began to create their own ways of fixing cranberries for the table. They made cranberry sauces, bubbling tarts and cranberry nog.

The word cranberry was a contraction of crane berry, an early name given to berries because of their pale pink blossoms resembling the head of a crane. Cranes were seen in the lowland, marshy places where the berries grew. The cranes also enjoyed eating the berries.

Cultivation of cranberries began in Massachusetts nearly 200 years after the landing of the Pilgrims. A farmer noticed that cranberries seemed to grow larger and juicier where sand from the dunes blew over the vines. Cultivation today came from this simple observation made nearly 150 years ago.

Cranberries grow on peat soil that has been covered with a three-inch layer of sand. Cuttings or branches from the existing cranberry vines are planted deep enough to take root in the peat soil beneath the sand . The vines, planted about six inches apart, gradually spread over the ground forming a thick green carpet. The vines are weeded in the spring and pruned in the fall and fertilized and resanded every three or four years. Vines are protected from frost by flooding and irrigated in time of drought.

Cranberries were first picked by hand, then with wooden-fingered scoops which combed the berries from the vine. Since World War II, the scoops have been replaced by mechanical pickers which complete the harvest faster and cut down on the frost damage. Every cranberry delivered to the receiving station must measure up to high standards of quality before it can travel under a label. After passing through a machine which blows out the chaff, a cranberry must demonstrate it's got bounce. Bounce? That's right. You wonder why. It's a simple - - - a good, firm berry will bounce. A soft berry will not. Mechanical separators give each berry seven chances to bounce over four-inch wooden barriers. The berries that don't have the necessary bounce are discarded. Only the lively ones go on to the screening room where canvas belts carry them between rows of sharp-eyed women who pick out any not up to standards of appearance and quality.

Cranberries are not only interesting fruit because of its heritage in our country, but it is also a nutritious addition to our diet. Cranberries contain calcium, phosphorous, potassium, vitamin A and vitamin C. Cranberries, when combined with another favorite such as pineapple and then maybe your favorite flavor of gelatin, can make a delicious salad. By the time you add some celery or nuts, you have a delicious salad that will please the pallets of every family member.

One of our favorites is the cranberry nut bread which follows as recipe of the week.

As you eat and enjoy cranberries, you are eating a truly American food.

Why not use some in your diet to give it variety and to add the minerals and vitamins that we need to help make us healthy people.

Homemakers, as you try these recipes and as you read about cranberries, I want to wish each of you a joyous Thanksgiving season with your family. It is always a pleasure to work with you, and if the Appomattox County Extension Office can help you in any way, please feel free to call on us.

RECIPE OF THE WEEK
Cranberry Fruit Nut Bread

2 cups sifted all-purpose flour
1 cup sugar
1½ teaspoons baking powder
1 teaspoon salt
½ teaspoon baking soda
¼ cup shortening
1 teaspoon grated orange peel
¾ cup orange juice
1 well-beaten egg
1 cup fresh cranberries, coarsely chopped
½ cup chopped nuts

Sift together dry ingredients. Cut in shortening. Combine peel, juice, and egg. Add to dry ingredients, mixing just to moisten. Fold in berries and nuts. Turn into greased 9 x 5 x 3-inch pan. Bake 350 degrees over for 60 minutes. Cool. Wrap and store overnight. This receipe can be doubled and frozen.

Mrs. Dora DeJarnette

Honored On 92nd Birthday

Mrs. Dora DeJarnette of Appomattox was honored on Sunday, November 5 when her children were hosts for a birthday celebration. Mrs. DeJarnette was 92 years young on November 7.

Dan Daniel Has Limited Number Of Yearbooks

. Congressman Dan Daniel announed today that he has been allotted a limited number of additional copies of the 1977 Agricultural Yearbook, entitled "Gardening for Food and Fun."

This edition of the annual yearbook has proved to be one of the most popular ever published, Daniel said. Since he will receive only a small number of the books for distribution, he will send these, on request, on a first-come-first -served basis.

Inquiries should be made to Honorable Dan Daniel, 104-A High Street, Farmville, Va.

Pvt. Hamlett Completes Training

FORT BENNING, GA. Oct. 30 - Pvt. Marvin R. Hamlett, Jr., son opf Mrs. Thelma L. Hamlett, Appomattox, Va., recently completed seven weeks of advanced individual training at Fort Benning, Ga.

The training included weapons qualifications, squad tactics, patrolling, landmine warfare, field communications and combat opereations. This qualified him as a light weapons infantryman and as an indirect fire crewman.

He was taught to perform any of the duties in a rifle or mortor squad.

Hamlett entred the Army in June of this year.

The private is a 1978 graduate of Appomattox County High School.

Take a minute to think about some of the "special" Christmases in your life. Maybe the one when the kids got the puppy that was a member of the family for eighteen years. Or the Christmas reunion, when all the aunts and cousins and grandparents came—and you couldn't walk for kids and presents. Or the many times the two of you danced to the Bing Crosby Christmas album, all alone, by the light of the tree. Special holidays, to dream of year after year. At Fidelity American Bank, nothing makes us happier than playing a part in somebody's "special" Christmas. Next year, let us be part of yours. Simply open a Fidelity Christmas Club, add to it here and there during the year and, when it's paid up, get back all your money and 5% interest...just in time to make next Christmas as nice as all the ones in your dreams.
